OUR COMMITMENT

Since 1962, American Plastic Toys, Inc. has been dedicated to producing fun, safe, high quality toys with value pricing. Our commitment is to continue manufacturing in the United States by developing exciting new toys and other products, providing superior customer and consumer satisfaction, and reinvesting in the company and our local communities for long-term growth and sustainability.

We're one of the top five US DOMESTIC toy manufacturers.

What American Plastic Toys has to offer:

Value:

We offer great values at affordable prices.

Speed:

APT has in-house product designers, graphic artists, packaging engineers and multiple mold/tool shops in Michigan resulting in expedited new product development and production for replenishment.

Safety:

With 60+ years of toy making experience, we design our toys with children's safety in mind. Our Safety and Compliance lead sits on two ASTM Committees and five Toy Association Safety Standards and Technical Committees. All of our safety testing is performed in the US.

Replenishment:

APT can react faster than imported items to changing demands due to weather, fashion, etc.

Ease:

Our toys are made right here in the US, resulting in reduced lead-times and replenishment accuracy, easier trend adjustments and reduced overstocks.

Omni channel support :

APT currently supports:

1. Direct to store
2. DSV-drop ship
3. Modular support

American Plastic Toys has been an active member of **the toy association**, the leader of today's dynamic and innovative toy and play industry, for over 60 years.

Designed, manufactured and safety tested in the USA.

OUR PEOPLE

Great People Make Great Toys! With over 60 years of manufacturing toys, American Plastic Toys has many valued employees who've been with us for 20 years, 30 years and even 40+ years!

Designed, manufactured and safety tested in the USA.

American Plastic Toys has proudly crafted fun and safe toys in the USA since 1962! We offer over 100+ different toys, ranging from simple sand pails to complete kitchen play sets. All our toys are proudly made in the USA using domestically sourced plastic and colorants. Our toys are molded safely with high quality Polypropylene (80%) and Polyethylene (20%) plastics, complete with safe molded-in colorants. Every American Plastic Toys product undergoes rigorous testing by at least one independent U.S. based safety-testing lab to ensure it meets all relevant safety standards.

Our fantastic products are found in major North American mass merchants, online, regional retail outlets, as well as in many specialty toy retailers. Our manufacturer's representatives – who are each listed on the inside cover of this catalog - are highly valued business partners – they are there to assist all of our customers with product selection, order processing, and special requests on higher-volume purchases. Thank you for considering American Plastic Toys as a supplier and partner to your business. Our entire team will continue to work hard to support your ongoing retailing success!

Happy playing with American Plastic Toys!
